## Harry Reid International Airport to Host Career Expo

LAS VEGAS - On April 4, the Clark County Department of Aviation (CCDOA) and various airport partners will host a career expo to help fill vacant positions throughout the airport.

**WHEN:** Thursday, April 4, 2024  
9 a.m. – 1 p.m.

**WHERE:** Las Vegas Convention Center – West Hall  
300 Convention Center Drive, Las Vegas, NV 89109  
Parking Located at the [Las Vegas Convention Center Diamond Lot](#)

With representation from the CCDOA and partners including airlines, food and beverage companies, retail groups, ground support and baggage handlers, this expo will allow job seekers to learn about the exciting opportunities available to help their careers take off.

Many of the employers participating will be conducting on-the-spot interviews and will be able to make job offers contingent on applicants successfully passing applicable background checks. For those not hiring on the spot, this is an opportunity for attendees to learn about the hiring process and future openings.

Half of those who attended last year’s career expo participated in an on-site interview, and nearly a quarter of those were offered a position.

Attendees should make sure to bring a current resume and two forms of ID (including one photo ID) to prepare for a potential background check.
